Ladies of the Petroleum Club:

Dear Ladies,

Our last luncheon for this season was held on April 24th. Jennifer Cowell, a teacher at Casper College, and her student, Mary MacGuire provided a delightful fifteen minute violin program before our lunch featuring chicken crepes was served. This was followed by a short business meeting. We then enjoyed a fashion show presented by Kyleen Braxton, co-owner of Fashion Crossroads, featuring models from our club and accompanied by Adam Smith at the piano.

Veronica did a wonderful but sad eulogy for our dear Carrie Neuenschwander, who passed away so suddenly this last month. We will remember her fondly.

Hope everyone has a great summer.

Thank You,
Margot Everett, President

Mother's Day Brunch

We were so honored to have the pleasure of hosting this year's Casper College Distinguished Alumni, Terry and Jerry Dunn for lunch at the club with their families. They both played basketball in the 70's for our very own Casper College. Terry and Jerry Dunn credit some of their success as basketball coaches to their time at Casper College. Please pick up a copy of the Footprints Magazine from the college to read their inspirational story. Thank you Paulann and Linda for bringing them to our CPC.

Come in and enjoy our daily lunch buffet.

See you soon at your CPC!!
