**Thank you to our generous member that sponsors this for our members.
See you soon at your CPC!**

Attention Members:

Ladies and Gentlemen,

As you are all aware, the Casper Petroleum Club has been experiencing decreased membership and attendance for the past 15 years. It is with heavy hearts that the Board must announce that the situation has now reached a level that requires the Casper Petroleum Club to close permanently.

It is the Board's desire that the Club be able to remain open until December 31, 2016 in order to honor current reservations, allow our staff time to make future arrangements, and provide the members ample opportunity to enjoy the Club through the holiday season.

In order for the Club maintain the ability to remain open until December 31st, you, the membership, must double your efforts to make the Casper Petroleum Club your choice for your lunches and dinners in each of these remaining 4 months. If September attendance is not strong, members should expect the Club to close in October.

Additionally, after reviewing the evening dinner service attendance for the past fiscal year the Board found that dinner service for Monday and Tuesday nights is consistently unattended, or attended with less than 5 nightly reservations. As a result, beginning September 12 & 13, the Club will no longer be open for Monday & Tuesday dinner service. Existing Monday or Tuesday event reservations will be honored.

Members, as the Club reaches its twilight, we eagerly invite you come often to celebrate the legacy, food, and ambiance of the Casper Petroleum Club for the rest of this year.

Sincerely,
Your Board of Directors

*Come in and
enjoy our daily
lunch buffet.*

*See you soon
at your CPC!!*
